

2010-11 Industry Partner Membership

**√Yes—We want to take advantage of GCSAE
“industry partner” membership for 2010-11.**

**Industry partners benefit from attending GCSAE meet-
ings and networking with leading association and non-
profit executives. Involvement can also include hosting a
GCSAE event. GCSAE meetings:**

- Provide an excellent forum for sharpening your skills as an association professional.
- Help you keep abreast of the issues impacting on the association sector.
- Afford you the opportunity to develop professional relationships with local association/non-profit executives.
- Assist you in earning continuing education units needed to obtain or maintain your CAE, CMP, or other professional credential.

Learn more at www.gcsae.com.

TOTAL Enclosed \$ 199

The Greater Cleveland Society of Association Executives (GCSAE) is a professional society of association executives, representing Northeastern Ohio's active association community. It is an allied society of the American Society of Association Executives (ASAE).

Who qualifies as an Industry Partner?

Any individual, firm or corporation providing or offering major products or services commonly used by trade, professional, technical, educational, philanthropic or similar type of voluntary membership organization.

Membership for a GCSAE Industry Partner is \$199 (July 2010—June 2011).

**Thank you for your
support!**
